## **8 WEEK PASS COURSE**

**Beginner or novice driver price: £760.00** *(terms and conditions apply)*

The 8 Week Pass Course includes 34 hours of driving tuition, one theory test, one driving test and the use of the tuition vehicle for the purpose of the driving test.

You need to be available 4 or 6 hours per week in order to complete the course within eight weeks.

We will book the tests for you and you will take the theory test two weeks after starting the course and then you'll take the driving test at the end of the eighth week.

*This is a very popular and successful way of learning to drive and is ideal for people who want to pass quickly.*

**If you've done quite a bit of driving before** you can still have an 8 Week Pass Course and the good news is we will reduce the price for you. To begin with we'd give you a one hour assessment lesson so one of our driving instructors can take a look at your current standard of driving. Our instructor will then recommend how many more hours of driving tuition you will need to prepare for the driving test. You will just pay for the number of lessons you require. It's that simple!
