The 8 Week Pass Course is a very popular and successful way of learning to drive. This is a structured driving course that will motivate you and result in rapid learning. You will enjoy the 8 Week Pass Course and this course has a high pass rate. **This course is ideal for someone who wants to pass their driving test quickly, get a full driving licence and get on the road!**

The course includes one theory test, one driving test, a set number of driving lessons depending on your requirements & the use of the tuition vehicle for your driving test.

We will book the tests for you and you will take your theory test at the end of the second week and you'll take your driving test at the end of the eight week. We'll provide you with a set amount of driving lessons which will be spread evenly over the eight weeks.

There are three options to choose from. The best option for you depends on whether you are a beginner or whether you have driven before. **Check out the next page for the available options and prices. Then give us a call and let's get you driving....**
